

2010 Athenian Policy Forum

Fellowship Registration and Annual Dues

During the past 16 years about 400 colleagues have participated in our numerous conferences and have published their works in our books and journal. Colleagues who choose to support the APF professionally and financially are called Fellows. Fellows submit an area of their research interest and a brief abstract of their current work. Benefits of annual membership include (a) one free submission to the Journal of Economic Asymmetries; (b) receiving two regular and special issues of the journal; (c) invitation to participate in conferences and (d) listing of all fellows in our web site.

Annual dues are US \$ 100.00. Please make check payable to THE ATHENIAN POLICY FORUM and mail it with this registration form to:
